The July 4th event will follow past guidelines. Open House at the Ostendorff's (503 Church Street, Unit 12) starts @ 10:00 AM Saturday, 7/4. General arrivals should be planned for 5:30 PM or shortly thereafter; if you're coming early to partake in the Croaker Festival and want to drop off a dish, that's OK, too. If you just want relief from the heat, 'set a spell'...parking is in rear of larger schoolhouse building.

We will provide grilled chicken and local shrimp, along with drinks in the cooler. This is a covered dish affair, so we'll need participation for salad, bread, fixin's, and dessert -- bring your favorites. CDSOA members are naturally welcome; bring a friend if need be! Fireworks will be at dark, at the Oriental Yacht Club (OYC).

After dinner, we'll have a special presentation by Sara Goodnight, a local resident who is also a Museum volunteer. Sara has the distinction (coveted or otherwise) of being a past circumnavigator. She will enthrall and amaze with a prepared Powerpoint presentation on her travels. I'm sure there will be many questions; Sara is very personable and friendly, and a tremendous asset to the Museum with her lively participation and fresh ideas.

If you are coming by boat, you can anchor in Oriental Harbor on either side of the bridge. There is a marina with transient slips, the Oriental Marina, <http://www.orientalmarina.com/>, 252-249-1818, but they are usually full for this weekend months in advance.

Come and enjoy the festivities!
