We hope we will see you on our next cruise, which is our week long trip for 2015, to Ocracoke Island for the annual Folk Festival which takes place June 5-7 (<http://www.ocracokealive.org/ocrafolk-festival.html>). Because so many boats travel to Ocracoke for the festival slips at the Anchorage Inn & Marina (<http://theanchorageinn.com/>) and those provided by the National Park Service (first come first served) are difficult to get. The plan is to arrive on Sunday May 31st well ahead of the festival to help insure spots are available. Anchoring out in Silver Lake is also an option for those who are bit more adventurous. As always, Ocracoke has much to offer -- biking, swimming, shopping and a variety of restaurants from which to choose.

Our fleet dinner will be held on Tuesday June 2nd at 6:00 pm at Dajio Restaurant (<http://www.dajiorestaurant.com/>). I will make the reservation so let me know in advance so I can make the necessary reservations for the group. It is best to have our fleet dinner early in the week to avoid the large expected crowds during the festival.

Ardea will host "Happy Hour" on Wednesday June 3rd at 4:30 pm. Please bring your own drinks and an appetizer to share. Keep it small because we always have too much food.

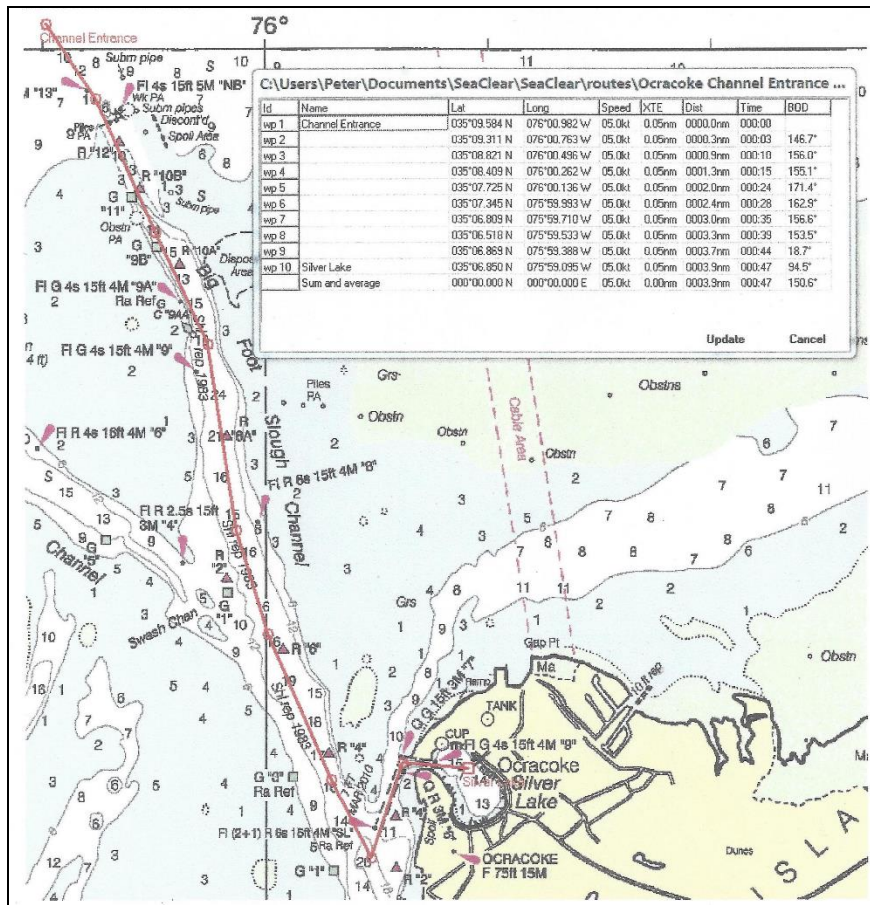

Hope to see you there and, as always, each captain is responsible for planning and charting their own trip to our rendezvous location and back home.

Fleet communications will be on VHF Ch. 16 and 68.

Please monitor these channels during the cruise.

Hail the "Cape Dory Fleet".
