

CDSOA Carolinas Fleet August Rendezvous

River Dunes Marina

August 15-16

Please register by August 12th!

Questions? Contact Event Organizer: Scott Pickard Ph: 252-249-6006(H) or 912-341-9940(cell);

Email address: scott.pickard@ec.rr.com

After a fun and challenging July trip to Cape Lookout, we would like to welcome you to a relaxing cruise to River Dunes Marina. Most of you have probably visited there in the past but in case you have not we have included some navigation recommendations below. Facilities at River Dunes include the restaurant in the Harbor Club, pool, pool table, exercise room, hot tubs, and bicycles to tour the area. The Harbor Club serves lunch and dinner on Friday and Saturday and lunch on Sunday; reservations are a must.

If you arrive on Friday, enjoy the facilities. We will plan to gather for dinner at the Harbor Club on Saturday evening. Please let us know by the 12th if you will attend and we will confirm reservations for the dinner.

Please make your own reservations for a berth (252-249-4908, ext. 2 or via email at marina@riverdunes.com). Identify yourself as being part of the Cape Dory Fleet.

Fleet communications will be on VHF Ch. 16 & 72.

Please monitor these channels during the cruise.

Hail the "Cape Dory Fleet".

Concerning navigation, coming from Oriental, leave Gum Thicket Light (R#6) to port. Bear approximately 350 deg. to the Broad Creek entrance. Give the markers coming into Broad Creek a wide berth as they are located in shallow water. From Green #1 we usually head towards the large white house until passing Red #2, then turn right. Water depth in Broad Creek channel is typically 7 – 9 ft. As you approach Red #4 look for River Dunes entrance on the left. Stay in the middle of the marked channel until entering the brick wall lined channel. From this point on water depth is uniformly 8 ft. unless you get very close to shore.

Communications: River Dunes monitors channel 16 and switches to 72 as we do. Call River Dunes for your berth assignment when you are in Broad Creek.

Register online by August 12, 2015. Just click on the link below!

Any questions regarding this event? Please contact Event Organizer Scott Pickard at 252-249-6006(H) or 912-341-9940(cell) or via Email at: scott.pickard@ec.rr.com.

All owners of both Cape Dory and Robinhood power and sailboats, CDSOA members and non-members, are welcome to attend.

All captains are responsible for their own navigation and the safety of their vessels and crew.

Use NOAA Charts 11548, 11553 and others.

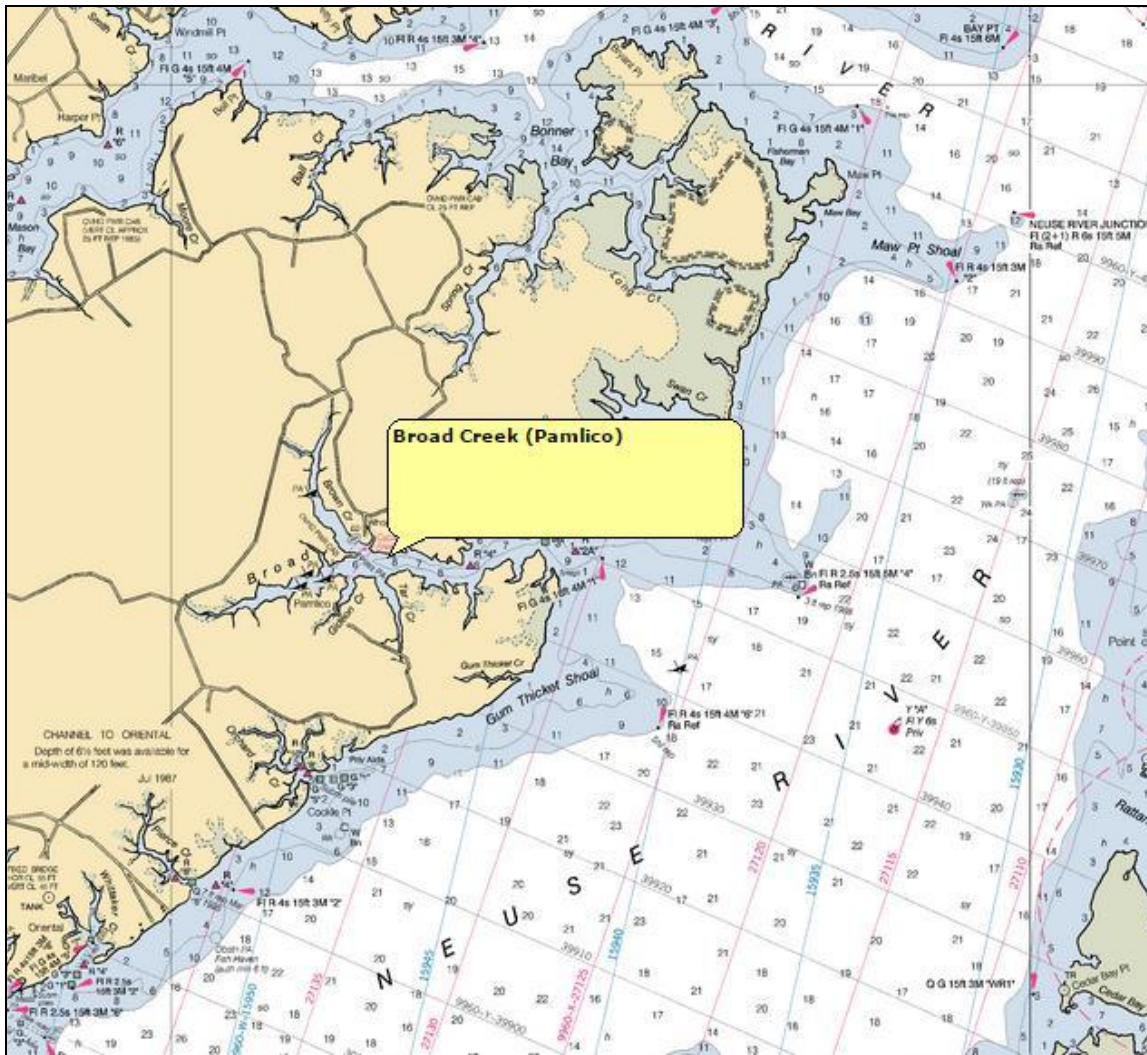

Chart is for informational purposes and not navigation.
