Ahoy Cape Dory Sailors & Friends!!

While you are thinking about this years' upcoming cruises, think also about South River, not so far from Oriental, NC, for the weekend of May 28-30. All Cape Dory owners, wannabes, members, non-members, and families are welcome to attend. The Cruise Captain expects a stellar turnout for the first cruise of the year. We have been there several times, and our actual raft-up location may vary, so first arrivals get their pick and the others can huddle up close or choose other places within shouting and signaling distance. For those who will be arriving on Friday, the 27th, I'll bet that a call on channel 16 & follow up communications on channel 72 will find you a Cape Dory or two out there or on the way.

***Fleet communications will be on VHF Ch. 16 and 72.
Please monitor these channels during the cruise.
Hail the "Cape Dory Fleet".***
