Come join fellow Cape Dory owners at the Goslings Islands for an afternoon of fun and comraderie! The islands form a beautiful cove that is protected from Maine's prevailing southwesterly winds. The Maine Coast Heritage Trust recently purchased the islands from a private owner so the public can enjoy them in perpetuity. The cove has many moorings that can be used for the day or for an overnight, and also has ample anchorage space with good mud holding ground.

You can read more about the Goslings Islands here: <http://www.mcht.org/preserves/the-goslings>

Fleet communications will be on VHF Ch. 16 and 68.

Please monitor these channels during the cruise.

Hail the "Cape Dory Fleet".
