Please join us on July 8th for an evening of camaraderie in centrally located Port Jefferson. It's a good opportunity to meet up with old friends and make a few new ones.

Saturday, 7/8 – Old Field Beach, Port Jefferson, NY

Plan on meeting in the afternoon on Saturday, July 8th, in the anchorage south of Old Field Beach in **Port Jefferson Harbor**. When anchoring, be sure that you won't swing into the channel.

Not to be used for navigation. Use NOAA Chart. 12362.

Figure 1

If conditions are settled, we ask that you please contemplate allowing another CD to raft-up with your boat; this decision is entirely up to you, and the captain of each vessel. If it's crowded, a raft-up may not be possible or safe but we can put together a "dinghy float" instead. If you don't have a dinghy, one of us will fetch you in ours.

Don't forget to bring your dinghy!

We will be having a potluck cocktail and dinner get-together aboard one of the boats or, preferably, a raft of boats, or maybe even on the beach. Your potluck entrée or side should be enough to feed about 6 people, so keep that in mind when provisioning. Don't worry, with all the crews contributing, we will have plenty of food. Please bring your own beverages and a snack to share during cocktail hour. We will provide the plates, cups and utensils.

If yours is the first boat to get to Port Jefferson Harbor, please hail the "**Cape Dory Fleet**" (VHF Ch. **16** then **78**) and let the others know that you're there and we can reply with our ETAs.

**Fleet communications will be on VHF Ch. 16 and 78.
Please monitor these channels during the event.
Hail "Cape Dory Fleet".**
