Hosts: Bob Lascelles, "Vindolanda" CD25D and Doug Jesseman "Free Spirit" CD36

Join fellow CDSOA Northeast Fleet members and interested sailors for an early season yard sale. Clear out that excess (old) sailing gear to make room for the new, high-tech gear you plan to pamper your good old boat with this season!

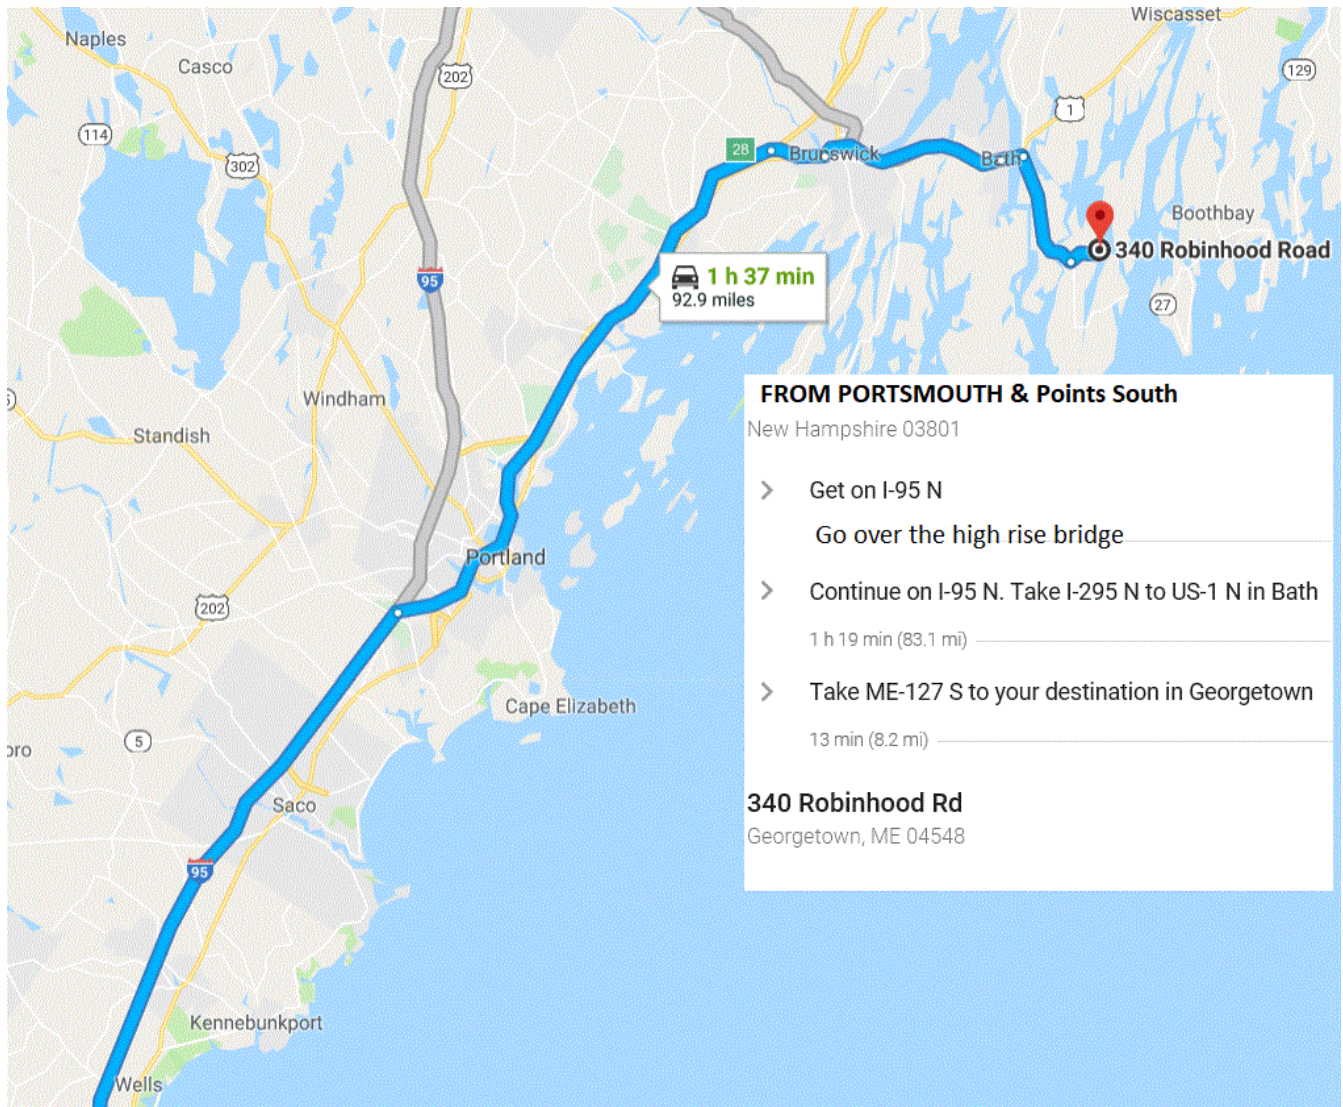

Your hand-me-downs can be the next CD sailor's treasure! You know that you have a collection of good stuff that needs a new home -- bring it on up! Ground tackle, old sails, hardware, electronics, etc., you set your own prices, work out trades or find that piece of gear you always wanted. Enjoy some free coffee and donuts and mingle with other CD'ers while you shop.

Derecktor Robinhood is generously furnishing us space, tables and the opportunity (rain or shine) to have good, early season Cape Dory social get-together at the famous **Derecktor Robinhood** boat yard. Robinhood supplied millwork and fiberglass moldings to a lot of Cape Dory models during the heyday, 70's and 80's, and took over manufacturing of the outstanding Robinhood 36 (CD36). Derecktor Robinhood will have original NOS (new old stock) Cape Dory parts and millwork for sale. So if you're looking for some of those hard to find replacement parts or old manuals, you might get lucky! Spartan Marine bronze hardware is also manufactured on the premises.

At about 1:30 PM, for those that are hungry, we'll adjourn to have a hearty lunch in the Anchor Bar & Grill at the Osprey's Nest. It's under new management this year and they're excited we'll be some of their first guests!
