Event: Feb 23, 2019 – Cabin Fever Luncheon – Dover, NH
Place: Newick's Lobster House, 431 Dover Point Road, Dover, NH www.newicks.com
Time: Saturday, 2/23/2019, 12:00PM
Who: Family, friends, sailors, non-sailors, members, non-members, etc.
RSVP: rlascell*NOSPAM*@gmail.com for a headcount only, lunch/drinks by individual orders.
Hosts: Susan and Bob Lascelles, "Vindolanda" CD25D York, ME homeport

Join fellow CDSOA Northeast Fleet members for lunch overlooking Great Bay. At Newick's you'll enjoy great food & drink, good conversation and a chance to meet new and old CD friends and to talk about our Cape Dorys. For new & old members it's a great opportunity to ask a bunch of fellow CD sailors about their boats, their projects and about any model specific peculiarities.

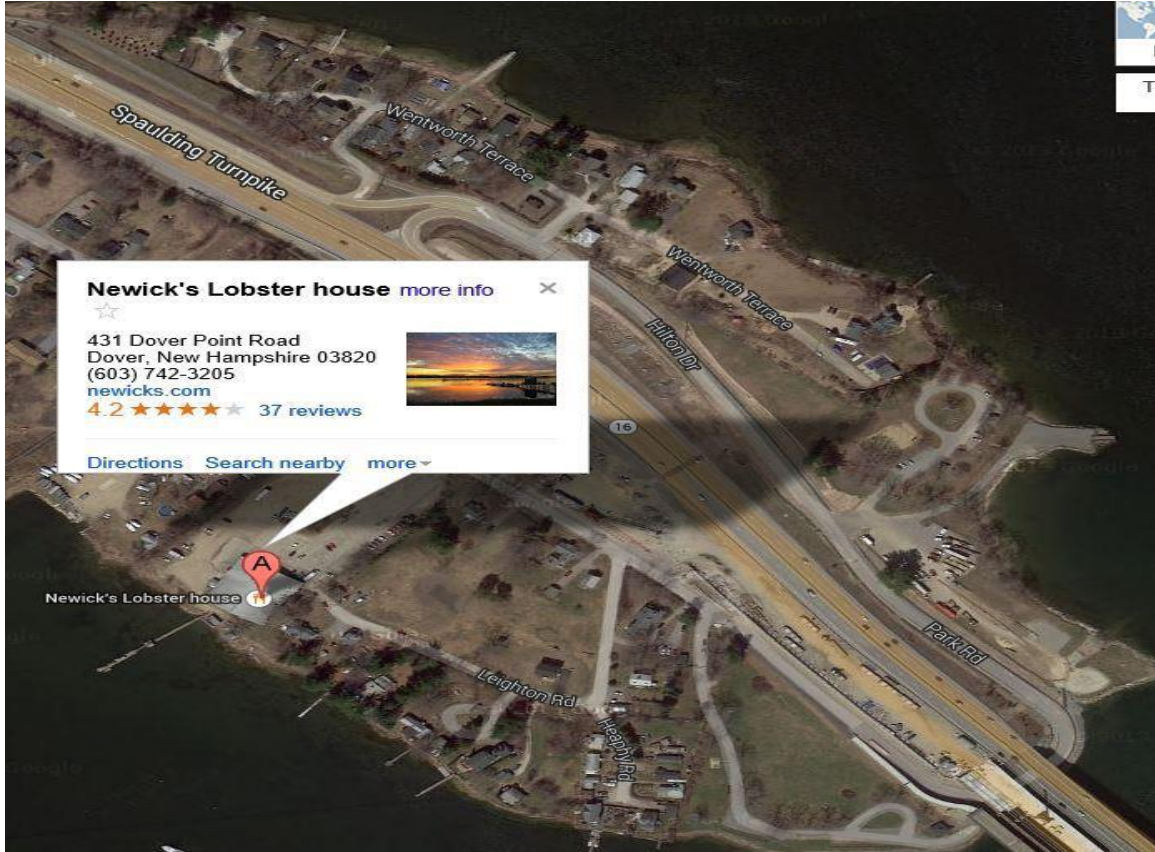

Newick's is right off Rte 16 (the Spaulding Turnpike) and easy to get to from Rte I-95. So, get out

of the house, take a little break from scraping and sanding and start planning for the sailing season ahead. We'll have great door prizes!

Our guest speaker this year will be Meteorologist Chris Legro from The National Weather Service Office in Gray, ME. Chris will be talking about Marine weather, weather forecasting and how to understand forecasts for planning. Whether a cruiser or a day sailor, weather is a **BIG** part of the sailing experience. Please note, at this time the US Government is still on a partial shutdown. Unfortunately, if the shut down is not resolved by Feb 23, Chris will not be able to be with us for the CF Lunch. However, all is not lost! In

that event we are doubly lucky, because Bob Dugan has agreed to be our designated backup speaker. Bob will be telling us about his, and his dedicated crew's, recent cruise to Newfoundland. I saw some of Bob's slides at the Winter Meeting and I really want to see the rest and hear about the trip! We'll have plenty of time to chat. SPRING will be just around the corner, and after all the cold, it can't come too soon for sailors. **For members considering the 2019 Maine Cruise** there will be an opportunity to provide some route planning input. Looking forward to seeing you all there. As always, keep your fingers crossed for fair weather!

Registration Fees : **NONE**

(Attendees are responsible for their own meal tabs & gratuity)
