Join fellow CDSOA Northeast Fleet members for lunch overlooking Great Bay at Newick's for great food & drink, good conversation, a chance to meet new and old Cape Dory friends, and to talk about our Cape Dorys. For new and old members it's a great opportunity to ask a bunch of fellow CD sailors about their boats, projects and any model-specific peculiarities. Newick's is right off

Rte. 16 (the Spaulding Turnpike) and easy to get to from Rte. I-95. So get out of the house, take a little break from scraping and sanding, and start planning for the sailing season ahead. We'll have great door prizes too!

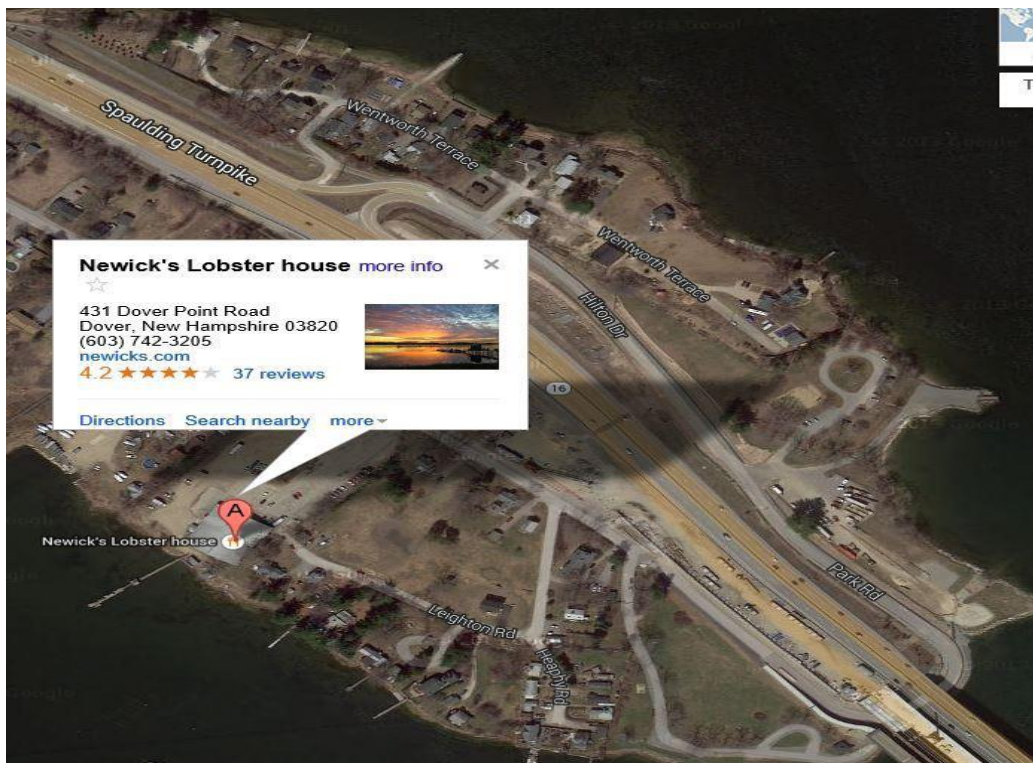

Our guest speaker this year will be giving pointers on on-the-water safety. We'll be having a live demonstration of different flare types in action on the shores of Great Bay! So bring a couple of those pesky expired flares (limit 2 per attendee) and we'll see how they work (or don't). Anyone with expired SOLAS flares? Bring them along.

We'll have plenty of time to chat. SPRING will be just around the corner, and after

all the cold, it can't come too soon for sailors. There will be door prizes and a Raffle for great CDSOA prizes!

**For members considering participating in this year's activities**, this is a great opportunity to discuss route planning and fun activities for float-ins, cruises, barbecues and dinners. Joe DeAlteris is once again planning the 2020 Maine Cruise and we'll have an opportunity to talk about that. Also, we'll be talking more about planning the 2020 Summer Rendezvous which will take place probably on Buzzards Bay. Looking forward to seeing you all there. As always, keep your fingers crossed for fair weather!

**After the Event** – there will be an informal get-together with drinks and refreshments at the home of Bob & Susan Lascelles in nearby York, ME. All are welcome (driving directions will be provided at event)!

Registration Fees: **NONE**

**(Attendees are responsible for their own meal tabs & gratuity.)**
