

CDSOA National Meeting

Rappahannock River Yacht Club House
100 Rappahannock Drive, Irvington, VA, 22480
10/07/22 - 10/09/22

All hands on deck !

Please join with us as we discuss, learn, and inform each other on the current issues of Cape Dory Sailboats Owners Assoc. at the lovely Rappahannock River Yacht Club in Irvington, VA on Chesapeake Bay the weekend of October 7,8, and 9.

In addition to reviewing current CDSOA issues pertaining to leadership and other association operating matters, this 3 day event will also provide you the opportunity to meet and learn from many other CD owners the latest solutions to all things "Cape Dory" - including the maintaining our ships, as well as discussing the finer aspects of seamanship, and even vetting best destinations ...

The highlight of this year's national meeting is a presentation by <capedory.org> alpha contributor, John Stone - an amazing shipwright and captain, who completely rebuild his CD 36 "Far Reach". John has singlehanded "Far Reach" to the BVI three times in recent years. His web space <http://www.farreachvoyages.com> is a marvel of all things Cape Dory and beyond.

Past members and nonmembers are welcome along with active members this year. We hope you will consider renewing active membership during the course of the weekend. We need your support and hope to see you soon

Sincerely,

Fred Mueller, Commodore

John Arsenault, Vice Commodore
