Try to arrive in Northport as early and as quickly as possible because it may get crowded for the holiday weekend.

If you are on the first boat to arrive in Northport, please hail the “**Cape Dory Fleet**” (VHF Ch. **16/78**) and let the others know that you’re there.

If conditions are settled, we ask that you please contemplate allowing another CD to raft-up with your boat; this decision is entirely up to the captain of each vessel. If it's crowded and there's a lot of traffic, a raft-up may not be possible or safe.

*Don't forget to bring your dinghy!*

We will be having a potluck cocktail and dinner get-together aboard one of the boats or, preferably, a raft of at least two boats, so keep that in mind when provisioning. Your potluck entrée or side should be enough to feed at least 8. Don't worry, with all of the crews contributing, we will have plenty of food. Please bring your own beverages and a snack to share during cocktail hour. We will provide the plates, cups and utensils.

### **Sunday, 7/4—Northport, NY**

For those of you that don't have to return home right away, the Village of Asharoken will be shooting off their fireworks on the evening of July 4<sup>th</sup> from Asharoken Beach. There will be a security zone with a 600-foot radius around the launch area so we won't be able to get close to the beach but we should be able to view them from the Northport anchorage.

Before the fireworks we'll get together for another potluck cocktail and dinner party.
