Event Information:

This year's Narragansett Bay Float-in is being hosted by Joe Fischgrund and Phil Tanner at Joe's home at **48 Church Lane, North Kingstown, RI**, a short walk from **Wickford Harbor**, on Saturday, July 24th. The gathering will be informal, and will include a potluck barbecue dinner, Saturday afternoon into the evening. Festivities begin at 5:00 PM.

Joe and Phil will be providing the burgers and dogs and a few other things.. Each 'boat' may bring an appetizer and also please bring your own drinks (BYOB). Ice and coolers and basic mixers (e.g. ginger beer) will be provided.

Wickford Harbor contains several full-service marinas, and the harbor is convenient to shopping in a town with a quaint New England atmosphere.

There are currently four transient moorings located inside Wickford Harbor. These moorings are available on a first-come/first-served basis. The fee is \$35 per night with a three-night maximum. The harbormaster or assistant will collect the fee. **There is no anchoring inside of Wickford Harbor**, but there is a safe anchorage outside the breakwater in most weather conditions.

The North Kingstown Harbormaster can be contacted at: Ph. 401-294-3316; VHF CH. 16 & 05.

Moorings and/or slips are also available from:

- **Pleasant Street Wharf (PSW).** Ph: 401-294-2791. Slips, moorings and dinghy dock -- no launch service. They do not usually monitor VHF. You might try and call a day or two before to check availability of moorings or slips. They are aware of our event. Both Phil and Joe are based at PSW.
- **Wickford Yacht Club.** Ph: 401-294-9010. VHF CH. 09. The Wickford Yacht Club has several guest moorings -- the cost is \$45.00 per night. Reservations can be made at <https://www.wickfordyc.com/mooring-reservations/>. They are aware of our event and they check their website daily. Check this one out as soon as possible.
- **Safe Harbor Wickford Cove.** Ph: 401-884-7014. VHF CH. 09. Slips, moorings and dinghy dock -- no launch service. They are also \$2.50 per foot per night. (This marina is the farthest away from Joe's house.)
- Also, both Joe and Phil are willing to have a boat raft-up with theirs in Wickford Harbor if needed.

If you can't get there by boat, hop in the car (see the Driving Directions at the end of this document).

We would like to know ahead of time who will be coming so we can purchase adequate food and supplies and have enough tables/chairs etc. In addition to burgers and dogs, we will provide the plates, cups, napkins and plastic utensils.

See you at the float-in,

Joe & Nancy and Phil & Karen

**Fleet communications will be on VHF Ch. 16 and 68.
Please monitor these channels during the event.
Hail "Cape Dory Fleet".**
