

# Cape Dory 32

## A Spacious Interior Plus a Functional "T" Offshore Cockpit for memorable cruising.

The Cape Dory 32 has a masthead sloop rig and a "full-keel" with attached rudder for powerful performance, stability and sure tracking.

The interior of the Cape Dory 32 has been designed with "cruising comfort" as the watchword. Her teak and holly sole plus the extensive use of teak and hardwoods quickly tell you that the CD32 is a Cape Dory... built by skilled craftsmen. The U-shaped galley has everything needed for a quick snack or gourmet entertaining. Double stainless sinks, an ice box with 8 cubic feet of space plus a double burner stove with your option of alcohol, CNG or LPG. Fuel storage is in a tank locker located in the "T" shaped offshore cockpit.

A navigation station provides ample and convenient space for charts and electronics. The CD32 features an oversized quarterberth to starboard, a pull out double berth in the salon, plus a forward V berth to sleep six. The entire crew will enjoy the elbow room of the CD32's spacious head plus the refinement of an on-board hot shower. Hot and cold pressur-

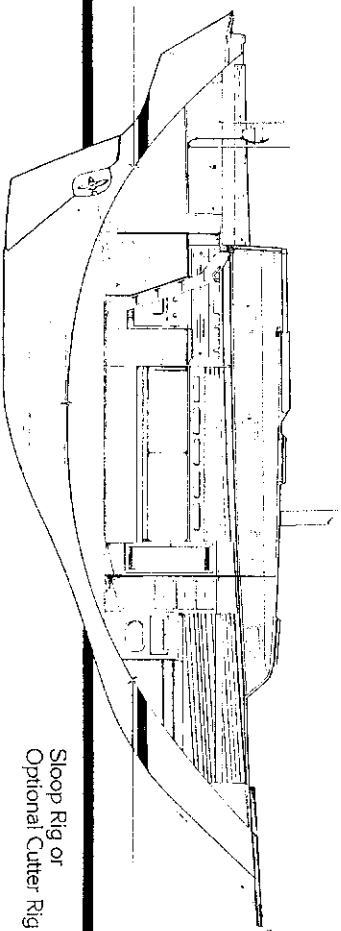

ized water is backed with a 6 gal. hot water tank that is engine or 110 volt heated. There's also plenty of headroom throughout for those six footers in your crew. Light and ventilation are provided by 2 Lexan hatches and 8 bronze opening ports.

The CD32 cockpit follows the same "T" shape form of the CD40 to provide better

accessibility to instruments and winches. Two jumbo sized lockers provide ample storage area for fenders, lines and other cruising gear. Engine gauges are right at the helmsman station and the engine controls are mounted on the pedestal steering wheel. The cockpit is surrounded by a sure-footed, nonskid molded coaming. A teak coaming cap is available if you wish. Her genoa and main sheet winches are both 2 speed.

Her fresh water cooled, 3 cylinder diesel will back you with plenty of power when you need it... at sea or dockside... while keeping fuel consumption to a minimum.

The Cape Dory 32 is a yacht that reflects a pride of ownership that is unique to the timeless beauty and quality of a Cape Dory Yacht.

Sloop Rig or  
Optional Cutter Rig
